Dear Ms. de Groot:

SUBJECT: UPDATED DEFINITION OF REGULATED FORESTRY PROFESSIONAL

Please be advised the definition of Regulated Forestry Professional has been updated and is effective beginning May 1, 2009. It will be published in the next revision of the Alberta Forest Management Planning Standard. The new definition is as follows:

"A Registered Professional Forester (RPF) on the Registered Professional Foresters Register or Conditional Register of the College of Alberta Professional Foresters (CAPF) or a Registered Professional Forest Technologist (RFPT) on the Registered Professional Technologists Register of the College of Alberta Professional Forest Technologists (CAPFT)."

Please do not hesitate to contact this office if you have any questions.

Yours truly,

Robert W. Stokes, RPF
Acting Executive Director
